Docket No. 98N-1265  
Food and Drug Administration  
5600 Fishers Lane  
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I am a 54 yr. old female who  
after going through menopause was having  
problems with tiredness sleeplessness depression  
etc. I did not want to take synthetic hormones  
I did my search found a Dr. who used Madison  
pharmacy to give me the exact amount  
of Estrogen + Progesterone I needed. I had  
immediate relief & have maintained good health  
through this program. These services are not  
available through pharmaceutical manufacturer nor  
most local pharmacies.
